Spirit of Democracy America is a federal independent expenditure only committee organized to make independent expenditures supporting and opposing federal candidates. It does not make contributions to federal candidates, and is permitted to accept unlimited donations from individuals, PACs, corporations, partnerships, LLCs, nonprofit organizations, and any other sources not prohibited by law. Contributions may not be accepted from federal government contractors, national banks, federally chartered corporations, or foreign nationals without permanent residency status (Green Card holders). Contributions to Spirit of Democracy America are not tax deductible.
